Disclosure of your social security number (SSN) is requested from you in order for Iowa State University to report income to the Federal government. No statute or other authority requires that you disclose your SSN for that purpose. Failure to provide your SSN, however, may result in not processing your award. Federal and State law protects the privacy and security of your SSN and Iowa State University will not disclose your SSN without your consent for any other processes except as allowed by law. Please note: it is SSTFI policy that upon 5 years after High School graduation your scholarship money will be rolled back into the general fund and no longer available for claim.
