Junior High Projects – Entering the building (Hilton):

- 6th & 7th Grade projects will be on the Floor of Hilton.
 - Easiest way is to park or back vehicles down the East Ramp and unload.
 - May also bring projects up the South Stairs and down to the floor by stair or elevator
- 8th Grade students will be on the outer concourse.
 - Easiest way is to park or back vehicles down the East Ramp and unload.
 - Projects can be taken up the elevator to the concourse
 - May also bring projects up the South Stairs

Senior High Projects – Entering the building (Scheman):

- Senior High projects will be on the 2nd Floor of Scheman
 - The fastest and easiest way is to enter through the North doors, take the elevators up 2 floors and exit. If you do not see carts please ask at the desk.
 - Projects can be unloaded at Hilton and students can bring the projects directly to the first floor across the bridge between Hilton and Scheman and then up the elevator to second floor

Please review the SRC and DSC Instruction Sheet at:

http://www.sciencefairiowa.org/Rules/Scientific_Review_Committee.html

PLEASE bring all missing paperwork and signatures with you to the fair.

ALL missing paperwork MUST BE turned in at the SRC Booth next to Registration in Hilton.

Students do not have to remain at their projects to wait for a DSC reviewer to clear them. If they have been pre-approved by the SRC (they will have a green instruction sheet at their table) they also do not need to wait for SRC approval. **HOWEVER – these students must still check their project for violations at the designated time.**

Please Note the following Friendly Reminder:

NO HAND HELD RADIOS ARE ALLOWED!

NO OUTSIDE FOOD IS ALLOWED!

**(Water Bottles are acceptable as are small snack items if kept under tables
– just don't be caught with large coolers full of food)**
